Requirements for

25X1X4

25X1X4

Requirements:

1. Can Source compare the present judicial system in Hungary to the pre-war system? If so, discuss notable distinctions between two systems.
2. Can Source describe the control of prison administration in Hungary at time of his departure? What were the responsibilities in this connection of the Ministries of Justice, Internal Affairs, and State Security, respectively?
3. Can Source describe the sentencing of political prisoners? Before which courts do they appear, if any? Are courts subordinate solely to the Ministry of Justice? If not, what is their subordination?
4. Can Source indicate in what ways the Ministry of Justice controls or supervises the activities of Hungarian lawyers? In what ways it controls or supervises the courts? Can Source give any other information on the functions of the Ministry of Justice, or any information on its organization?
